Sample TESOL Student Assessment Tool

Students are to look at this picture, read the questions below and answer the questions in writing. Such an activity tests your students' vocabulary, grammar, sentence structure, writing, and reading comprehension.

1. How many people are in the house?
2. Where is the dog?
3. Is someone cooking now?
4. Is the car in the garage?
5. What things do you see in the living room?
6. What time of day do you think it is? Why?
7. How is this house similar to where you live? How is it different?

Sample Student Reading Comprehension Assessment Test

This type of multiple-choice test can be used to evaluate a student's reading comprehension. Note that this test does not evaluate your students' global or overall level. Other evaluation should be done to determine your students' abilities in writing, speaking, and listening. Your students' global level will normally be lower than the level they obtain in this type of reading assessment.

****

Directions: In the blank, write the letter of the sentence that means the same as the lead sentence. You have 15 minutes to complete this test.

Example:
